## TAZ

### FROM HIS NEW MOM

*Taz has been a wonderful addition to our family. He fits right in. He is housebroken and walks with pride...as we are proud of him as well. He is a great watch dog, barking at strangers/alerting me when something doesn't sound/smell right to him. Bella, the house cat and Taz had a rough first day but by the 2<sup>nd</sup> or 3<sup>rd</sup> day, they both settled in and are doing just fine. He has adjusted so quickly and is very comfortable. He visited the local dog park and made lots of new friends. He had his first run on the beach – he is so full of energy but he was so well behaved. He smiles often/loves to please/loves car rides. He is the perfect fit/we have grown very attached to him. It was meant to be. Well worth waiting for as he gives as much joy.*

## MAXWELL

Well – Maxwell's day has arrived – The day he found his forever home. Max has a wonderful new mom, big fenced-in yard to play in and a new sibling. Gosh – What more could a guy ask for.

Max's adoption just recently took place so we will be asking "new mom" for an update in the near future. We love you Max and wish you well
